REQUEST FOR BID

July 18, 2019

The Creve Coeur Police Department is requesting bids and pricing for the purchase of uniforms for the Police Department. In the City of Creve Coeur's fiscal budget for 2020, effective July 1, 2019 the Police department will go to a Quarter Master System. The PD is seeking competitive bids and pricing for the purchase of all uniforms. The uniform specifics are attached for the brands that we are seeking. Additionally, the vendor will create/purchase a system that will track the purchases of all uniforms. The uniform allowance shall be \$700 per officer for 38 officers or approximately \$27,000 annually. The vendor must have the following:

- A brick and mortar operation within the metropolitan area.
- Maintain an inventory allowing for quick purchasing and ordering.
- A good customer service operation allowing for issues, returns, and new purchases.
- Competitive pricing for uniforms and equipment.
- Competitive pricing for the purchase of body armor.
- Software package for tracking individual and group purchases.
- The CCPD is tax exempt.
- The bid shall stand for 7 business days with a return by e-mail, or if preferred a formal bid document of the vendor's choosing. The bids are due back to the Chief of Police no later than Monday, July 29, 2019. EOB.
