

## MEMORANDUM

**Date:** August 21, 2019  
**To:** Mark Perkins, City Administrator  
**From:** Jason Valvero, Director of Recreation  
**CC:**  
**Subject:** Parks Master Plan – Final Draft

---

As the city enters into the final phase of wrapping up the master plan, the final draft is ready for review by City Council and the citizens of Creve Coeur. PDS, the city's planning consultant on the project, has revised the earlier draft based on feedback from the project planning committee, the Parks and Historic Preservation Committee, City Council and residents. The information below summarizes the differences between the second draft and the final draft:

### Overall Master Plan

- Added section on parks & recreation programming, including a summary of existing programs and ideas for future programming related to the master plan improvements
- Added more photos showing people using the parks
- Updated Executive Summary section to reflect changes to recommendations

### Conway Park

- Removed recommendation to convert second tennis court into a multi-purpose court
- Updated parking lot expansion to add 30 new spaces by removing both tennis courts

### Lake School Park

- Added recommendation for a perimeter trail around the park

### LaVerne Collins Park

- Added description and images of the concept for LaVerne Collins Park as a Gateway Feature to 39N from the Old Olive Great Streets Plan

### Malcolm Terrace Park

- Edited the description and increased the costs assigned to improving the paved nature trail to allow for two new bridges to be added

### Millennium Park

- Moved up the timeframe for adding an amphitheater to Millennium Park to a medium term (3-6 year) improvement
- Added information regarding the plan for BJC to add a sidewalk connecting to Millennium Park as part of their ongoing development
